June 2, 2022 - FOR IMMEDIATE RELEASE

### Atchison Village Credit Union Partners with Sharetec

LINO LAKES, MN – Sharetec System, one of the fastest growing core systems offering the *technology of simplicity*, is pleased to announce Atchison Village Credit Union located in Richmond, California, has partnered with Sharetec to be their next core banking solution.

"Sharetec core system is exactly what we have dreamed of having to be on par with the prevalent technological innovations in the financial world. It is a wish come true - a processing system that is cost-effective and user-friendly and offers an efficient data processing and security for the credit union as well as its members. We look forward to working with such a great Sharetec team and the prospect of seeing our credit union grow," comments Cecilia Heredia-Rocha, CEO and Manager of Atchison Village Credit Union.

Deborah Resavage, Vice President of Sales for Sharetec, adds, "As a result of this new partnership, Atchison Village Credit Union will be providing a Debit Card program to their membership that they have not had available to them in the past. This is great news for the credit union and their members! They will also be offering Mobile Banking, Online Loan Application with Remote eSign capacity, eNotices, eStatements, eReceipts, and Savvy Money credit scoring for the first time in the credit unions history. The partnership with Sharetec will also allow the credit union to move to a complete Service Bureau environment. These are all key to the credit union's ability to provide services needed in their community and should propel Atchison Village's future growth and success."
