

## PRESS RELEASE

July 10th, 2017 - FOR IMMEDIATE RELEASE

### **Ariza CU Successfully Migrates to Sharetec Core Banking System**

LINO LAKES, MN – Sharetec System, core technology made simple, announces largest credit union in Grenada, Ariza Credit Union, has migrated to Sharetec Core Banking System with great success.

As a credit union leader in Grenada and throughout the Caribbean, Ariza Credit Union's progressive vision continues to show results. After totally rebranding last year, as well as renovating their main office, the credit union has embarked on the next step to make themselves an industry leader for years to come. Ariza Credit Union's leadership team wanted to be able to offer their growing membership with the products and services members desired. That problem was resolved when they purchased the Sharetec core banking system. With the enhanced Internet and Mobile banking offerings, automating over 70 areas of the credit union, and integration into the current document storage solution, Ariza Credit Union is able to make technology simple for their members.

Mrs. Lucia Andall, CEO of Ariza Credit Union, comments, "Migrating to Sharetec allows our Credit Union the ability to not only meet the current needs of our membership but also to intuitively meet their growing needs. We have already seen the benefits of this system in easier access to data for strategic decision making, personalized member interactions and the possibility for integration with the other systems used at Ariza. We are happy with the support from Sharetec and look forward to our continued partnership."

Matt Isger, Regional Director for Sharetec, comments, "We look forward to continuing to work with Ariza CU as they utilize all the new products they have put into place with the help of Sharetec to improve their growth and expand member benefits. With a smooth migration to Sharetec, we are excited for this new partnership and look forward to watching Ariza CU excel in the years to come."
