Three More Indiana Credit Unions Choose Sharetec

LINO LAKES, MN – Sharetec System, one of the fastest growing core systems, *bold technology, caring partner*, is pleased to announce three more Indiana credit unions are leaving ERS and moving to Sharetec to be their next core system.

Sharetec is proud to announce three credit unions, all located in Indiana, have made the decision to move to Sharetec. Riverside Community FCU, located in Marion, T.H.P. Federal Credit Union, located in Terre Haute, and Whitewater Regional Federal Credit Union, located in Connersville, are leaving ERS after an extensive review and analysis of the products and services offered through Sharetec.

Micah Wright, CEO of Whitewater Regional FCU, comments, "After looking at multiple core systems, we felt the technology that Sharetec uses was a perfect fit for our credit union. My staff felt at ease with how easy Sharetec was to navigate. The fact that they are local to Indiana also contributed to our decision. Lastly, it gave us a huge peace of mind knowing that so many Indiana credit unions are using the Sharetec platform." Tim Moorman, President of Riverside Community FCU, adds, "The team is excited to move into the Sharetec system, and hope to use it as long as we had our last system."
