River Community CU Selects Sharetec Over Six Other Core Systems

LINO LAKES, MN – Sharetec System, one of the fastest growing core systems, *bold technology, caring partner*, is pleased to announce River Community Credit Union in Ottumwa, IA, has selected Sharetec to be their next core system following an extensive review with six other core systems.

Nate Bissell, CEO of River Community Credit Union, comments, “After being with our current core for many years we were ready to make the change to Sharetec after seeing all of the abilities we have been missing! We are excited to be able to bring our members the technology they have been wanting and to increase their ability to bank on their terms.”

Following their extensive review, River Community Credit Union’s decision to select Sharetec also came from multiple demonstrations and a number of phone calls to Sharetec customers. The credit union will be taking advantage of Sharetec products like, Online Member Services, ACH Origination, Remote Deposit Capture, and many more to help them increase their membership growth and offerings to their members.

Carrie Heck, Account Relationship Manager for Sharetec, comments, “River Community was very thorough in their search for a new core platform. We know how vital it is for credit unions to succeed in this competitive industry, which is why we offer the most innovative solutions backed by strong service and support all with a return on investment (ROI) that credit unions can appreciate. We are proud to welcome the River Community staff to our Sharetec family.”

About River Community Credit Union

River Community Credit Union has been serving its members since 1928. In the beginning, eleven men started the Credit Union with C J Morrow as its Founder. The Credit Union was open only to the U.S. Postal Service workers and known as the Ottumwa Postal Employees Credit Union; but because of sound management and excellent service other small companies and businesses joined in. Due to the ever-increasing satisfied members, Ottumwa Postal Employees Credit Union opened to the surrounding communities and changed its name to River Community Credit Union in 2000. In 2002, River Community Credit Union was very pleased to welcome the merger of the Ottumwa Railroad Employees Credit Union.

About Sharetec System

Sharetec is a leading provider of software for credit unions and their members. Since its establishment in 1993, Sharetec has grown steadily to over 280 credit unions, 50 of which have chosen Sharetec just in the last 3 years. With 5 offices across the US, Sharetec looks to establish an even larger footprint not just domestically but globally, currently serving all US territories and the Caribbean.
