Employees FCU Signs with Sharetec Core Solution

LINO LAKES, MN – Sharetec System, one of the fastest growing core systems, *bold technology, caring partner*, is pleased to announce Employees Federal Credit Union in Tulsa, OK, has partnered with Sharetec to be their next core solution.

We are so excited to report that as a result of this new partnership, Employees Federal Credit Union will be offering Sharetec Home and Mobile Banking, Online Loan Application with Remote eSign capability, eReceipts, and so much more! Sharetec is also thrilled to offer best in class integrations to many of their existing ancillary products and services and offering new API level integrations as well. All new and additional technology that was with Sharetec, came at a cost that allowed them to add so many new and exciting features such as Dashboards, SavvyMoney credit scoring, Ultimate Checking, and so much more!

"These are all key to the credit union's ability to provide services needed in their community and to their members. Employees Federal Credit Union is focused on their future growth and success with Sharetec," comments, Deborah Resavage, Vice President of Sales for Sharetec.

John Hughes, President/CEO of Employees Federal Credit Union, remarks, "Our primary focus was on improving efficiency and providing our team with the best possible tools to provide an amazing member experience with every member contact. While this was not an easy decision, we decided to go with the system that we felt was the best fit for where we are going as an organization. Ultimately that meant a feature-rich system with first-class integration and the most advanced technology in one complete package. We selected the Sharetec V-10 system to move our credit union technology forward into the future."
