### Sharetec Continues to Grow

The Sharetec team continues to grow by adding additional members to the executive, marketing, programming, hardware, and administration teams. We are very happy to welcome our new team members and look forward to our continued growth in 2022!

### Security Tips

Sharetec would like to bring awareness to our credit unions to help you stay in front of cyber threats. There are some basic tips we recommend your team considers to better protect against cyber-attacks. You can find these security tips on any of our social media platforms.

### One-Stop Shop Marketing Design Center

Whether your goal is to increase your membership or simply let your members know about your products and services, Sharetec's Marketing Design Center offers a variety of marketing materials. This powerful marketing tool is easy to use and effective for quick turnaround on your marketing efforts.

### Successful Conversions in First Quarter of 2022

Sharetec had 3 successful conversions in the first quarter of 2022. Progressive CU in Trinidad and Tippecanoe FCU in Lafayette, Indiana, converted in February. Following their conversions, Barbados Teachers CU converted in March. Welcome to Sharetec!

Fantastic speakers, breakouts, and business partners – Oh my! The 2021 Sharetec Users Conference in Cincinnati, Ohio was a great success! We want to thank everyone who attended as well as everyone who presented.

Registration is open for the **2022 Sharetec Users Conference** taking place September 25-28 at the Hilton Nashville Downtown in Nashville, Tennessee. We hope you will join us in the Music City! You don't want to miss this conference and everything Nashville has to offer. Register today at [www.sharetec.com/registration](http://www.sharetec.com/registration).
