

Sharetec On-the-Go Mobile

New Banking Platform Impresses Beta Credit Union

Southern Chautauqua FCU's beta experience.

In 2024, Sharetec released its reimagined mobile banking platform, [Sharetec On-the-Go Mobile](#), offering credit union members a more robust digital banking experience. As a beta tester of the new app, [Southern Chautauqua Federal Credit Union](#) (FCU) is already impressed with what it has to offer.

Currently accessing the app via iPhone 16 Pro MAX and IOS 18.1.1, the credit union has expressed its satisfaction with the new features. "The developers have been very responsive to fix issues," stated Southern Chautauqua FCU Chief Information Officer, Shaa Moore. "The new features are great! Excited to try ASA when we can!"

ASA's embedded app store, [ASA Vault](#), is integrated into Sharetec's digital banking platform, allowing credit unions to securely and seamlessly share technology and select the most beneficial apps for their members.

The benefits & features.

- A more customizable digital banking experience
- A more modern, streamlined look and feel
- Implementation of SavvyMoney Instant Access auto enrollment

With the [SavvyMoney](#) Mobile Widget, mobile banking users can see their credit score front and center on the app, without having to search in a menu for it! Users gain instant access to applicable loan and product offers that coincide with their credit score.

In addition to SavvyMoney, credit unions can also take advantage of [Larky](#) Push Notifications. With Larky nudge® Basic, CUs can schedule and send marketing campaigns and broadcast messages to help drive brand awareness, build member engagement, and promote new products and services.

When asked why Southern Chautauqua FCU would recommend Sharetec On-the-Go Mobile to other credit unions, Moore said, "It's a more polished update to the mobile experience. It adds customization and a smooth look and feel."

Sharetec On-the-Go Mobile's clean user interface ensures members can efficiently complete tasks, view their accounts, deposit checks remotely, contact their credit union, find a location or ATM, and more! Is your credit union ready to up its mobile banking game? Schedule a [demo](#) today!
